# There's no app for that.

A concert of interactive music and multimedia
Exploring new digital technologies

Thursday June 6, 2013
Music and Media Building, Room 218
8:00 pm, Free

Video motion tracking, dancer-controlled animation, algorithmic video editing, telematic lighting control, mathematically generated rhythms, realtime audio capture and effects processing, and granular sound synthesis, all in interaction with live performance.

Featuring Daniel Sanchez, Ryan Rost, Juan Rubio, Martim Galvao, Shih-Wei Wu, Santiago Guisasola, Paul Sinclair, and Asuka Sakuta.
